

2025 PUCK CANCER GAME SPONSORSHIP OPPORTUNITIES

On February 8th*, we will be skating to support survivors, previvors, stage 4 thrivers, and caregivers impacted by breast and gynecologic cancers. With your help, we can raise more funds to help support and improve the experiences of the cancer community.

With the help of our friend Mike Grinnell from Spittin' Chiclets, he will promote this game to his 151k X, 77.5k Instagram, and 596 Facebook followers!

Half of all proceeds raised will be donated to The Breasties to help fund programming events, educational resources, and stage 4 breast cancer research.

Without the generosity of the Grinnell family, this night would not be a possibility. We stand with Alanna Vizzoni, Sue Grinnell, and every woman in their fight against cancer!

*We will be wearing these uniforms additionally on February 2nd.
